Dear Mr. Young:

Thank you so very much for the 446 Bags of Anzac Cookies donated to the San Jose Airport USO. We are grateful for these donations which we can offer our visiting men and women in the military.

Our USO operates solely on donations and in-kind contributions from the community and individuals. Your donation will help us maintain the high quality service that we strive to provide for the military men and women who pass through our portals each day.

Your continuing support over the years is greatly appreciated. Thanks for being our partner in serving the troops.

On behalf of all the volunteers and military guests that we serve, many thanks for this generous gift.

Sincerely,

Catherine A. Baumann
SJC USO Center Director
